DESIST AND REFRAIN ORDER

(For violations of section 31110 of the California Corporations Code)

The California Corporations Commissioner finds that:

1. Get and Go Express, Inc. is an Illinois corporation that was formed on April 5, 2005. The registered office is 101 Iris Drive, Auburn, Illinois 62615. The company maintains a website at www.getandgoexpress.com. In October, 2005 Get and Go Express stated on their website they would begin offering franchises for the operation of a portable structure that houses up to thirty-four (34) vending machines offering soda, candy, chips, hot food and other snacks and merchandise subject to their registration with the Illinois Attorney General’s office.
2. Jeff Parsons is the Founder and CEO of Get and Go Express, Inc. and at all times from the date of its creation acted as one of its principal officers and directors in fact, exercising management responsibility and control with regard to all facets of its operations, including the franchises offered by the company. In addition, Jeff Parsons was personally involved in the offer of Get and Go Express franchises.
3. Neil McCutchen is the Vice President of Get and Go Express, Inc., and at all times from the date of its creation acted as one of its principal officers and directors in fact, exercising management

1 responsibility and control with regard to all facets of its operations, including the franchises offered
2 by the company. In addition, Neil McCutchen was personally involved in the offer of Get and Go
3 Express franchises.

4
5 4. John S. Narmont is the registered agent and President of Get and Go Express, Inc., and at all
6 times from the date of its creation acted as one of its principal officers and directors in fact,
7 exercising management responsibility and control with regard to all facets of its operations, including
8 the franchises offered by the company.

9 5. The company has not filed for a franchise registration in California. On November 1, 2005, an
10 undercover agent from the California Department of Corporations logged onto the website
11 www.getandgoexpress.com. The home page included a site entitled "Franchise Opportunities".
12 The undercover agent called the number listed on the website (217) 528-0730, posing as a
13 prospective California franchisee. The undercover agent was told there were franchise opportunities
14 available and he would be mailed an information kit that would answer any questions. On
15 November 10, 2005, a franchise package was delivered to the address that was given to the Get and
16 Go Express, Inc. representative by the undercover agent.

17 Based upon the foregoing findings, the California Corporations Commissioner is of the
18 opinion that Jeff Parsons, Neil McCutchen and John S. Narmont and Get and Go Express, Inc. made
19 offers of franchises in California that were subject to registration under the Franchise Investment Law
20 without first being registered, in violation of California Corporations Code section 31110. Pursuant
21 to section 31402 of the California Corporations Code, Jeff Parsons, Neil McCutchen, John S.
22 Narmont and Get and Go Express, Inc. are hereby ordered to desist and refrain from the further offer
23 or sale of Get and Go Express, Inc. franchises unless and until the offers have been duly registered
24 under the Franchise Investment Law.
