The California Corporations Commissioner finds that:

1. At all relevant times, Brian T. Sullivan, was the Senior Vice President of Fairfield Energy, Inc. - Vista Joint Venture, Fairfield Energy, Inc., and/or Vista Joint Venture (collectively and individually, hereinafter, "Fairfield.") Fairfield Energy, Inc., Vista Joint Venture is a Colorado Corporation, that, according to Colorado Secretary of State records, was formed on September 11, 2006, and has since incorporated two times: December 13, 2006 and January 25, 2007. The aforementioned company or companies are located at 1155 Kelly Johnson Boulevard, Suite 304, Colorado Springs, Colorado 80920. Mr. Sullivan provided an additional address of 722 Pioneer

1 Lane, Florence, Colorado 81226.

2 2. At all relevant times, Gabriella R. Sullivan was associated with the aforementioned company
3 or companies. Originally, she was one of three original incorporators and was the designated agent
4 for service in September 2006. The exact nature of her affiliation with the companies is currently
5 unknown. However, she currently shares an address with Brian T. Sullivan: 722 Pioneer Lane,
6 Florence, Colorado 81226.

8 3. At all relevant times, Daniel F. Sheriff (hereinafter "Sheriff") was the Senior Vice President
9 of Fairfield in all of its variants. Mr. Sheriff provided an additional address of 459 Gold Claim
10 Terrace, Colorado Springs, Colorado 80904.

12 4. Beginning in or about January, 2007, Sheriff, Brian Sullivan, and Fairfield offered and sold
13 securities in the form of working interests in Vista Joint Venture - - a gas developmental well project
14 in Logan County, Colorado (hereinafter, the "securities").

15 5. Through general solicitations in the form of cold calling and a Web site at
16 www.fairfieldenergyonline.com, Sheriff, Brian Sullivan, and Fairfield offered and sold the securities
17 in the State of California. These securities are not registered in the State of California and are non-
18 exempt from the registration requirement.

20 6. As of February 14, 2007, the Web site located at www.fairfieldenergyonline.com states: "Our
21 current project, "The Vista", is located in eastern Logan County, Colorado, and is targeting gas
22 production in the upper D-1 marine sand accumulation. Production has already been established from
23 this sand trend resulting in two producing wells."

25 7. In or about January 2007, Brian Sullivan and Sheriff began marketing the securities through
26 cold-calling and through the mails.

1 8. These securities were offered and sold in this state in issuer transactions. The Department of
2 Corporations has not issued a permit or other form of qualification authorizing any person to offer and
3 sell these securities in this state.

4
5 Based upon the foregoing findings, the California Corporations Commissioner is of the opinion
6 that the investments that are being or have been offered and sold by Sheriff, Brian Sullivan and
7 Fairfield are securities subject to qualification under the California Corporate Securities Law of 1968
8 and are being or have been offered and sold without being qualified in violation of Corporations Code
9 section 25110. Pursuant to section 25532 of the Corporate Securities Law of 1968, Brian Sullivan,
10 Gabriella Sullivan, Daniel Sheriff, and Fairfield Energy, Inc., Vista Joint Venture, and any associated
11 partnerships, corporations, or companies are hereby ordered to desist and refrain from the further offer
12 or sale in the State of California of securities, including but not limited to working interests in Vista
13 Joint Venture - - a gas developmental well project in Logan County, Colorado, unless and until
14 qualification has been made under the law or unless exempt.

15
16
17 This Order is necessary, in the public interest, for the protection of investors and consistent
18 with the purposes, policies, and provisions of the Corporate Securities Law of 1968.
