

1 5. Beginning in or about 2007, Cambridge, Claus, and Hillman offered and sold the above  
2 described securities in California to investors by way of making general solicitations through  
3 telemarketing or “cold calls” in California.

4 6. These securities were offered or sold in California in issuer transactions. The Department of  
5 Corporations has not issued a permit or other form of qualification authorizing any person to offer  
6 and sell these securities in California.

7 Based on the foregoing findings, the California Corporations Commissioner finds that the  
8 common and preferred stock in Cambridge Energy Waste Management, Ltd. offered and sold by  
9 Cambridge Energy Waste Management, Ltd., David Claus, and Martin Hillman are securities subject  
10 to qualification under the California Corporations Code. These securities are or have been offered and  
11 sold without being qualified or exempt, in violation of Section 25110 of the California Corporations  
12 Code.

13 Pursuant to Section 25532 of the California Corporations Code, Cambridge Energy Waste  
14 Management, Ltd., David Claus, and Martin Hillman are hereby ordered to desist and refrain from  
15 the further offer or sale in the State of California of securities, including but not limited to common  
16 and preferred stock in Cambridge Energy Waste Management, Ltd., unless and until qualification has  
17 been made under the law or unless exempt. This Order is necessary, in the public interest, for the  
18 protection of investors and consistent with the purposes, policies, and provisions of the California  
19 Corporations Code.
