**DESIST AND REFRAIN ORDER
(For violations of section 25110 of the Corporations Code)**

The Commissioner of Corporations finds that:

1. International Innovative Investments, LLC (“International”) is a limited liability company organized under the laws of Nevada on February 1, 2011. Its status is currently revoked. Its last known address is 65 Pine Ave. #815, Long Beach, CA 90802.

2. Global Healthcare (“Global”) is an entity of unknown form. Its last known address is also 65 Pine Ave. #815, Long Beach, CA 90802.

3. Jeremy Barnett, also known as Jeremiah Barnett (“Barnett”), is the founder and control person of both International and Global. Barnett’s last known business address is 65 Pine Ave. #815, Long Beach, CA 90802.

4. Beginning in 2010 or earlier, International, Global, and Barnett offered and sold securities in the form of promissory notes issued by International and Global to residents of California and elsewhere. The promissory notes provided that interest would be paid monthly to the investor.

5. Barnett signed documents stating that he would “personally guarantee” payment under the promissory notes. However, International and Global have stopped making interest payments to investors and Barnett has not responded to investors.
