Introduction

This annual report of licensees under the California Finance Lender's Law ("Report") is a composite of annual reports submitted by lender and broker licensees for the calendar year ended December 31, 2013. Licensees' annual reports were submitted in accordance with Section 22159(a) and 22160 of the California Finance Lenders Law, which state:

22159. (a) Each finance lender and broker licensee shall file an annual report with the commissioner, on or before the 15th day of March, giving the relevant information that the commissioner reasonably requires concerning the business and operations conducted by the licensee within the state during the preceding calendar year for each licensed place of business. The individual annual reports filed pursuant to this section shall be made available to the public for inspection except, upon request in the annual report to the commissioner, the balance sheet contained in the annual report of a sole proprietor or any other nonpublicly traded persons. "Nonpublicly traded person" for purposes of this section means persons with securities owned by 35 or fewer individuals. The report shall be made under oath and in the form prescribed by the commissioner.

22160. The commissioner shall make and file annually with the Department of Business Oversight as a public record a composite of the annual reports and any comments on the reports that he or she deems to be in the public interest.

The unaudited data submitted by licensees was submitted in a format prescribed by the Department of Business Oversight (Department). While the format of the financial information presented follows that of conventional financial statements, the reader should be aware that the data presented is primarily statistical in nature and does not constitute a consolidated financial statement.

This report and prior years' reports can be found on the Department's website at www.dbo.ca.gov.
