The Applicant Live Scan program is a system for the electronic submission of fingerprints and the subsequent automated background check and response. The response time from the Department of Justice when using the Applicant Live Scan program is faster with fewer rejections. Applicants can now download the triplicate form for the Request for Live Scan Service from the Department's website at www.dbo.ca.gov.

The applicant must take the three-part form to a live scan location to have their fingerprints taken by the operator. The applicant's fingerprints will be transmitted electronically to the Department of Justice for processing. The applicant will be required to pay the fees charged by the Department of Justice for processing the fingerprints directly to the live scan operator.
